Many men, women and children
need a Spring Blood Purifier. The

through the winter. When the
spring comes serious ailments like
typhoid, scarlet fever, coughs, colds,
catarrhs, neuritis, rheumatic pains,
loss of appetite and a sluggish all-in-
feeling prevail.
The bowels, the liver and the kid-

To Banish Night-Made
Wrinkles in Morning

When one gets up in the morning after
a troublesome, sleepless night, haggard
and worn, with the tell-tale lines and
wrinkles, and dark circles under the eyes,
here's the thing to quickly make one look
fresh and presentable. Rub the face
in a simple lotion made by dissolv-
ing an ounce of powdered alumina in a
half pint of witch hazel. Almost immedi-
ately there is a wonderful transforma-
tion. One effort is to tighten the skin
and obliterate the wrinkles and then, like
wise putlines under the eyes. The face
looks—and feels—bright and refreshed, as
though insomnia's victim had just awak-
ened from a beauty sleep.
Any draught, or simply alumina and
witch hazel, of course, and any woman
can easily make this harmless and effec-
tive facial rejuvenator.—Adv.
